BODYLOCK™

BodyLock® Technology Strategically prevents easy escape of odor, and forces it through the scent adsorbing filter at key exit points of your body - wrist, neck, waist, leg cuffs - to allow maximum adsorption by the ScentBlocker scent control technology.

S3™ Silver Anti-Microbial Technology S3 products utilize antimicrobial technology which helps to inhibit the growth of odor causing bacteria. S3 keeps the garment smelling fresher longer.

Shock Blocker TreeSpider's exclusive Shock Blocker technology reduces the fall arrest force felt by the body by up to 40%.
